[insert team / sport name] STUDENT-ATHLETE LEADERSHIP JOB DESCRIPTION

We are seeking a caring and nurturing individual willing to exemplify the highest standards of character and duty to team, school and community. The [insert team and sport name] student-athlete leader must demonstrate the ability to:

- conduct themselves on and off the fields of play with behavior that is an example to others.
- communicate with a high level of skill
- confront any behaviors of concern or violations of standards of student-athlete code of conduct among peers
- act as a conduit between team and coach
- bring any serious concerns to the attention of adult authority.
- hold team meetings to discuss lifestyle choices
- ensure and inspire team goals and effectiveness
- model healthy behaviors

The student-athlete leader will be held to the highest levels of conduct and character because you are in charge of the group. This will include a stricter penalty than their teammates if the [insert team and sport name] student-athlete leader is found in violation of the codes of conduct.

The coach and/or athletic director will assess candidates in the following areas while determining the most qualified candidate for the position:

COMPETENCE- Has the necessary level of skill development and knowledge of game/strategies, and fitness/conditioning/healthy behavior

CHARACTER- Demonstrate an attitude and behaviors that relate to moral strength including:

- ▶ Responsibility
- ▶ Accountability
- ▶ Medication
- ▶ Trustworthiness/fair play
- ▶ Self-control

CIVILITY- Demonstrates behavior that exemplifies consideration for others through:

- ▶ Respect
- ▶ Fairness
- ▶ Caring

CITIZENSHIP- Represents the social responsibility to the team and community through:

- ▶ Commitment
- ▶ Teamwork
- ▶ Role modeling

CHEMICAL HEALTH- Supports zero tolerance of chemical health use individually and for the team through:

- ▶ Role modeling
- ▶ Communication
- ▶ Enforcement
